

hei All

Well done again EVERYONE for achieving a very good result. To put it into perspective, only once ever back in 1991 has a squad scored over 500 points and not won. Scotland had to score more points than they had ever scored before to win, and we scored as many points as they did last year to come second. 509 points is a big score.

The lead coaches from all the other squads were very complementary of the courses for both the individual & relay races. It was a (very) tough but fair weekend of competition, and probably the best domestic competition of the year for juniors - a true test of ability for everyone involved. With that in mind the whole squad (athletes & coaches) will over the next few months look at the results, with the aim of identifying areas that can be improved; so that 2015 the squad goes one better, and claims its 11th title.

Well done again EVERYONE

Jon

Lead-coach NWJS

Inter-regional Champions 10 times
1996, 1998, 1999, 2000, 2002, 2003, 2004, 2008, 2010, 2011
