General Notes:

- 1. All competitors MUST wear a high-visibility top.**
- 2. Under 16s MUST be accompanied (rather than shadowed) by an adult.**
- 3. You will need a torch and, depending on the terrain and the absence of street lighting, the Planner/Organiser may recommend that you carry a back-up light and means of summoning help (e.g. a whistle).**
- 4. In case of Emergency, you are recommended to carry a mobile phone. Many modern phones have a Torch App which could be used as a back-up light. But use it discreetly so as not to attract attention and potential mugging.**
- 5. Dress according to the weather conditions (rain/hail/cold).**
- 6. You may like to carry a compass.**
- 7. Take care crossing roads.**
- 8. A person running across a road in such a way as to cause a road user to swerve, thereby causing injury to someone else (the driver or another pedestrian), is likely to be held responsible in that their actions caused the incident.**
- 9. A person running around a 'blind' street corner is responsible for not colliding with another pedestrian – so please run wide around corners.**
- 10. Take care on slippery surfaces and uneven ground; depending on the terrain, the Planner/Organiser may recommend trail shoes.**
- 11. When sharing the pavement or towpath with others "Share the Space, Drop your Pace".**
- 12. Give dogs a wide berth.**
- 13. Take care carrying your pencil/pen to avoid injury.**
